11: SUDIO SILHOUETTE SPEAKERPHONE (\$129 RRP)

This ultra slim, high gloss finish Bluetooth hands free speakerphone fits unobtrusively on the car sun visor. It requires no installation, pairs easily with mobile phone with intuitive buttons designed for easy operation. It offers 12-hour talk time and up to 500 hours standby time. The digital signal processor cancels out echoes and noise with auto power off to preserve battery life. It can be paired with up to five Bluetooth devices. Other features include incoming call reject, last call redial and auto connect. It has a two year warranty.
